Subject: Deficient Amended Notice of Intention to Commence Small Mining Operations, Bromide Mining LLC., Bromide Basin Mine, S/017/0031, Garfield County, Utah

Dear Mr. Goldgraber:

The Division of Oil, Gas and Mining has reviewed the referenced amended Notice of Intention to Commence Small Mining Operations (NOI), and the following items will need to be addressed before the amendment can be determined complete:

1. In Section I part 5, please list School and Institutional Trust Lands Administration (SITLA) as a landowner. This is important because the expansion will be on SITLA lands.
2. Please give dimensions and material types of the buildings that will be constructed in the lay down yard and for the diesel storage facility. Those items are needed so that the Division can determine the reclamation cost estimate.
3. On the maps provided please show the location of the disturbed areas and travel route beginning at State Road 95.

Please provide your response as replacement pages to the original NOI, using Form MR-REV-SMO/EXP, available on the Division's web site at www.ogm.utah.gov.

Please call Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions concerning this letter. In reply, please refer to file number S/017/0031. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
